## NOTICE OF PROPOSED RATE INCREASE AND PUBLIC MEETING WITH THE PUBLIC UTILITIES COMMISSION STAFF

By Advice Letter No. 79-W, Lukins Brothers Water Company, Inc. (LBWC) will request authority from the CALIFORNIA PUBLIC UTILITIES COMMISSION (CPUC) to increase its water rates by \$430,988 or 53.89% in test year 2019 over present rates, which have been in effect since February 19, 2019 which authorized a Consumer Price Index increase. The last general rate increase became effective March 26, 2015 pursuant to Resolution No. W-5026. The increase is necessary to offset increased operating expenses and to provide an adequate rate of return.

The CPUC staff will hold a public meeting on May 20, 2019 at 6:00 PM at  
 City of South Lake Tahoe Chambers  
 1901 Airport Road,  
 South Lake Tahoe, CA

The CPUC, at its discretion, may authorize LBWC an interim rate increase. This interim increase would be subject to refund pending the final resolution of the general rate increase request. The company proposes to increase rates as follows:

The public meeting is informal and affords customers the opportunity to ask questions and express their views. LBWC will have representatives there to explain the reasons for the proposed increase. Likewise, there will be a CPUC staff representative who will conduct the meeting and explain how the staff will analyze the proposed rates and fee increases.

California law requires the company to show to the Commission's satisfaction that an increase is justified before it may raise its rates. Customers who would like to call the Commission's attention to any problems concerning their water service, or who would like to provide any other information or comments regarding this requested increase should do so at the public meeting and/or should write to the Commission.

If you choose to respond to this notice, you may send a response or protest to the CPUC with a copy of the correspondence to the utility.
