However, if one or more occupants are willing and able to assume responsibility for subsequent charges by these occupants to the account to the satisfaction of the utility, or if there is a practical physical means, legally available to the utility of selectively providing services to these occupants who have met the requirements of the utility's rules and tariffs, the utility will make service available to these occupants. (T)

For these selected occupants establishment of credit may be as prescribed in Rule No. 6, except that where prior service for a period of time is a condition for establishing credit with the utility, proof that is acceptable to the utility of residence and prompt payment of rent or other credit obligation during that period of time is a satisfactory equivalent.
